Magical Mystery Tour Over 12's

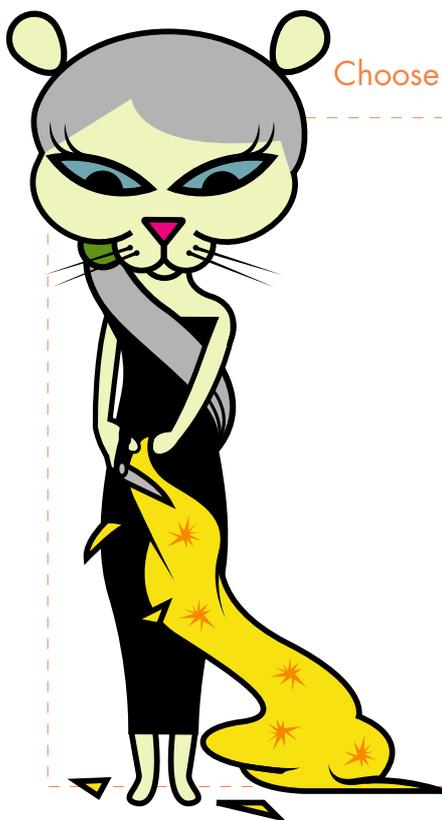

Disappearing Dresses, Meadowhall

What are the dresses made out of?

Take a close look into the bowls – can you describe what you see?

Do the colours or the texture of the dresses affect the way they dissolve?

In what way?

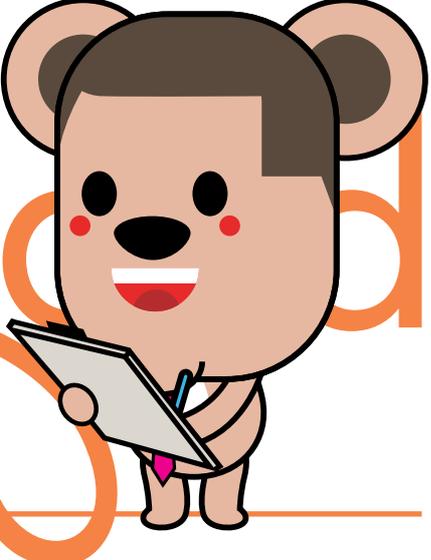

Choose your favourite dress and draw a part of it:

A large dashed orange rectangular box intended for drawing a part of a dress.

Bottles that become flowers, Botanical Gardens

What makes the Disappearing Bottles at the Botanical Gardens different from other plastic bottles?

As you can see, the gel from the bottles can be used as a seedbed. Here we are growing Basil.
What plant or crop would you grow and why?

The Science!

What are the long molecules called that make up plastics?

How do they behave when they are hot?

How do they behave when they are cold?

What are the plastic polymers normally made from?

What can you and your family do to help the environment?
